

Bids Are Opened For Final Phase Of Summit Route

Bids were opened Wednesday by the California Division of Highways for construction of the final section of freeway on U. S. 40 in the high Sierra between Sacramento and the Nevada state line. Officials at the Marysville district office said that Fredrickson & Watson and Granite Construction Co. of Oakland submitted an offer of \$11,111,605 the lowest of six bids received.

The huge project will extend from near the junction of State Sign Route 20 in Nevada County to just east of Hampshire Rocks in Placer County, a total of nearly seven miles. The SSR 20 junction is about three miles west of Cisco Grove.

The low bid, when approved by the attorney general, will be the largest construction contract ever awarded in the 11-county valley-mountain state highway district.

A separate \$23,000 contract, begun late last summer, provides for clearing the right of way and using the winter-spring burning season to dispose of slash, debris, and unsaleable timber, as well as saving time. This work should be completed by the middle of June.

Start In June
Work on the construction contract will start as soon as the snow melts sufficiently to permit equipment on the site, probably sometime in June. It is anticipated that the project will require three construction seasons to complete.

The four-lane facility will feature eastbound and westbound roadways of independent alignments on varying levels, with the median between ranging in width from 100 to nearly 1,000 feet.

The estimated 2,200,000 cubic yards of roadway excavation will be practically all solid granite and other types of very hard rock.

Nine Bridges
Each of the roadways will consist of two 12-foot lanes of cement concrete with 10-foot asphalt-paved (Continued on Page 8)

High School Will Sponsor Carnival

It's Carnival Time again at Tahoe Truckee High School.

The theme chosen for this year's affair, to be staged at the high school Friday, May 11 is "World in a Spin," in the spirit of Seattle's World Fair.

Kris Felte, this year's chairman, promises a good time for all who attended and a special invitation is extended to the business people of the area. The carnival is staged to finance the yearbook and in most schools this money is raised by selling advertising in the annuals to business people.

Everyone is assured a warm welcome at the affair which annually has many varied attractions for the entertainment of young and old.

PAST OFFICERS WILL BE FETED BY LODGE

Truckee Chapter No. 116, Order of Eastern Star, will meet Tuesday night at 8 p.m. in the Masonic Hall to honor past matrons and past patrons of the chapter.

Mrs. James McIver, past matron will preside as worthy matron and Dan Anderson, past patron, will officiate as worthy patron.

Refreshments will be served following the meeting with Estelle Klitzke, assisted by her committee, in charge.

DOLLEY, LOYND ARE NAMED ON BOARD

N. F. Dolley, incumbent, and Walter A. Loynd were appointed last Thursday by the Nevada County Board of Supervisors to serve as commissioners on the Truckee Fire Commission. Loynd will replace Earl K. Stice on the board, the latter being retained as clerk of the board. The third member is Elden Tonini.

The appointments were made after no one filed nomination petitions and no election was held.

PLANE MAKES FORCED LANDING ON FIELD

A light plane, piloted by Roger Craig of Reno, made a forced landing at the emergency field east of here Monday morning about 11 o'clock. The craft, en route from Reno to Sacramento, developed engine trouble which was repaired and the plane proceeded on its way. No damage was caused and Craig and his passenger were uninjured.

FREE ON BAIL
TAHOE CITY—Kirby Atterbury, 40, Belvedere, was freed on \$52.50 bail following his arrest by Patrolman E. R. Meixner of the California Highway Patrol on a charge of being drunk in or about a motor vehicle. He was arrested near Tahoe City.

Programs Planned In Observance Of School Week Here

All schools in the Tahoe Truckee Unified School District are preparing for observance of Public Schools Week from April 30 through May 4 with open house programs.

On Tuesday, the Truckee elementary school will hold open house for parents and others interested between 7:30 and 9 p. m.

The Tahoe Lake and Donner Trail schools will have open house during the same hours on Wednesday, while the Kings Beach school will observe the week with open house Friday between 7:30 and 9 p. m.

Guy Wilson is general chairman of the observance at the high school where all classrooms will be open for inspection, with the teachers in attendance from 7:30 to 8:15, at which time a general assembly will be held in the gymnasium and students will put on demonstrations of the work during the year.

The home economics department will give a preview of their fashion show and the band will play. Refreshments will be served in the home economics room to conclude the program.

Pioneer Resident Of Truckee Expires

Truckee lost one of its most beloved residents yesterday afternoon when Mrs. Theresa Margaret Cozzallo, 85, expired following an illness of two weeks.

A native of Italy, Mrs. Cozzallo was born July 17, 1876, but came to Truckee 64 years ago when only 21 years of age. She had since made this her home and although retiring, she was highly respected and loved by a legion of friends.

She is survived by one daughter, Mrs. Katherine Ghirard of Truckee, two sons, Dr. C. C. Cozzallo of Truckee and Dr. Alex Cozzallo of Reno. One brother, Peto Passenetti lives in Italy. There is one granddaughter, Mrs. Joan Harris and four great grandchildren.

The Holy Rosary will be recited this evening at 8 o'clock in the Truckee Colonial Mortuary with a Requiem Mass given in Assumption Catholic Church tomorrow at 10 a. m. The concluding service will follow with vault entombment in the family plot in the Truckee cemetery.

FISHING FORTUNE OF GIOVANNONI HOLDS

The fishing fortune of Frank Giovannoni, Jr., continues to be good and Donner Lake is yielding excellent results, now that the ice has completely gone and boats are plying the water.

Two weeks ago Giovannoni landed an 11½-pound German Brown in the lake and Saturday he and Marvin Albini, also of Truckee, caught their limit of Kokanee in half an hour while fishing near China Cove.

Willie Curran hooked an 18-pound mackinaw in Donner Saturday, one of the biggest fish landed this year.

DR. ROBERT CUPPLES HEADS STATE GROUP

Another Truckee native and local school graduate has made a high mark in the world.

Dr. Robert A. Cupples, now of San Jose, and son of the late Mr. and Mrs. Samuel Cupples, pioneer residents of Truckee, has been installed as president of the 3,700-member California Dental Association.

Dr. Cupples was installed April 9 at the opening session of the group's annual scientific meeting in the Fairmont Hotel in San Francisco.

DR. KING RESIGNS AS DIRECTOR OF UTILITY

The resignation of Dr. Ben R. King as a member of the board of directors of the Truckee Public Utility District was accepted by the board at Tuesday's meeting.

Dr. King, president of the board and a member since 1957, was critical of actions of the other board members in his letter of resignation.

No successor has been selected to complete the five-man board.

Chamber To Aid Donner Interests In Staging Races

Although the Donner Truckee Chamber of Commerce will not sponsor the annual Northern California Outboard boat regatta this year, the directors agreed yesterday to handle the advertising and promotion with Donner Lake Lodge, Inc. and associate sponsoring the events on July 8. The race will be run east and west on the north side of the lake instead of across the west end as in the past.

The Donner Lake Fire Department Auxiliary will sponsor the Saturday barbecue at Donner Lake Lodge.

If the Truckee Donner Chamber of Commerce sponsors the annual outboard motor boat races this year it will be after Admission Day and not during the peak of the vacation season.

This was decided at a meeting of the chamber committee, headed by Manager N. F. Dolley, at Donner Lake Lodge last week.

Although Robert Jamison, lessee of the beach at the west end of Donner Lake, where the races have been held for the past several years during July, agreed reluctantly to the use of the area, rigid stipulations were made, Dolley explained. Jamison pointed out that the races were held during the busiest weekend of the season right after July 4 and that this cuts deeply into revenue and that often the beach area is left in a cluttered condition, requiring many hours of work to put it back into order.

However, Jamison agreed that if the chamber decided to sponsor the races, he would surrender the area for the event for \$500 providing the chamber put up a \$1000 bond to guarantee return of the beach in the same condition it was in when taken over by the chamber. Since the cost to the chamber, including the \$1300 required by the boat association, would thus be high, it was decided to abandon the plan.

Chamber Opposes Stand On Bridge

The Lake Tahoe South Shore Chamber of Commerce has taken action which might well be followed by other similar organizations in the area.

The south shore booster group adopted a resolution calling upon Governor Edmund G. Brown to reconsider his announced stand in favor of a high level route for State Route 89 around Emerald Bay.

A resolution adopted by the chamber board of directors charges the tunnels, snowsheds and deep cuts proposed in the high level route would deface the area far more than a bridge across the bay.

The resolution notes construction of the high road would result in the destruction of the United States Forest Service Eagle Falls and Bayview Camp Grounds.

It states most of the groups opposed to the low level route are composed of people with no economic stake in the area and asks the governor to confer with and consider the views of the local residents, most of whom are said to favor the low level route as the safest and most logical choice.

COUNT SHOWS BONDS LOST BY 53 BALLOTS

The \$2 million school bond election held last week came within 53 votes of getting the necessary two-thirds majority to carry. This was revealed when the governing board Tuesday night canvassed the vote and tabulated the 73 absentee ballots.

The official count shows 532 yes votes against 346 noes. A total of 585 yes votes would have been necessary for the required majority.

There were 59 yes and 14 noes in the absentee ballots.

NOTARY
SACRAMENTO — (CNS) — Secretary of State Frank M. Jordan today announced issuance of a notary public commission to Lauren I. Russell, Box 566, Truckee.

At Donner—
Mr. and Mrs. Clifton R. Hensley and son, Clyde are now at Donner Lake, having spent the winter at Reno.

Semi-annual Time Of Confusion Set For Sunday Morn

The semi-annual time of confusion is at hand—in this case, Daylight Saving Time, which goes into effect Sunday, April 29.

Clocks should be advanced one hour.

This year, voters will have about six weeks in which to try out DST and then cast a vote on whether they want another month of it in the fall. A measure extending DST from the last Sunday in September until the last Sunday in October will be on the June 5 primary election ballot.

This was approved by the 1961 legislature when the opposition to DST in the rural-dominated state senate finally crumbled. Originally scheduled for a vote in November, the initiative measure was moved up to the primary election by the 1962 special session of the legislature, to permit the month extension to become effective this fall, if approved.

Four Auto Mishaps Reported In Area

Four motor vehicle accidents, only one of which caused major injuries, were reported by the California Highway Patrol during the week.

Technical Sergeant Howard W. Gear, 42 of Hamilton Air Force Base, suffered serious injuries at 11 p.m. Saturday when the car he was driving east rolled down a 200-foot embankment a mile west of the foot of Donner grade. After treatment at the Tahoe Forest Hospital, Gear was taken to Stead Air Force Base for hospitalization. He was cited for speeding. Patrolman William Gausche investigated.

Leonard H. Sayers, 21, Alameda suffered a broken leg and his passenger, Roger Crouch, 23, also of Alameda had minor injuries when the east bound car failed to make a turn on Donner grade near the summit and crashed into the rocks. The accident occurred Friday at 6:35 a.m. and was investigated by Patrolman Robert Horton, who is sued a citation for speeding.

Frank C. Francis, 68, of Oakland and Laurence J. Bolger, 19, Meadow Vista, escaped injuries when the Francis car ran into the rear of Bolger's 10 miles west of Truckee at 4:30 p. m. Friday. Patrolman Edward McCallen cited Francis for speeding.

Only minor property damage was caused Monday afternoon when a car operated by Jessie Latham of Truckee backed into a school bus driven by Irv Waters on the main street in Truckee.

SIX CANDIDATES TO SEEK ELECTION AT TAHOE ON TUESDAY

KINGS BEACH—Six candidates are seeking the three offices on the board of directors of the North Tahoe Public Utility District to be decided at the special election next Tuesday, May 1.

The election will be held at the Kings Beach elementary school and the polls will be open from 7 a.m. until 7 p.m.

The three incumbents, Alice L. Sorsenson, Willis O. Misner and E. W. Wiseman, are opposed by Herbert Grellman, Robert Washburn and Donald Beck.

There is considerable interest in the election and a large turnout of voters is expected.

TWO GIRLS ARE BORN IN LOCAL HOSPITAL

Two girl babies arrived April 19 at the Tahoe Forest Hospital for their parents. The first was Julie Patricia, daughter of Mr. and Mrs. Richard Bollin of Truckee. She tipped the scales at 6 pounds, 7½ ounces on arrival.

Theresa Lynn was a diminutive four pounds, 3½ ounces when first weighed at the hospital. Her parents are Mr. and Mrs. Charles Bishop of Truckee.

To Apple Valley—
The Charles Carroll family were recent vacationers to Apple Valley.

At Capital—
Supervisor and Mrs. Henry Loehr joined the Easter promenaders in Sacramento.

Fishing Season In District To Open On Saturday Morn

Thousands of avid trout fishing enthusiasts will take to the lakes and streams Saturday, April 28, for the official opening of the state's general trout season.

There are only minor changes in this year's trout and salmon regulations, but anglers are urged to check pages 12 through 28 of their sport fishing regulations booklet, available free from angling license dealers, for certain exceptions to general opening and limits.

The limit will be the same as last year: 10 trout or salmon in combination, but not more than 10 pounds and one fish.

Streams and lakes in this district are expected to produce good results, although many streams are still high and muddy due to the snow runoff, which will handicap the fly fisherman. Bait and artificial lures will predominate the early season fishing.

Because of the large number of fishermen anticipated during the opening weekend, those planning to journey to their favorite hot spot are urged by the department of fish and game to be sure to obtain licenses and two stamps before leaving for their destination.

Many favorite fishing locations are still not accessible because of the late snows, but the Truckee River, Little Truckee, Prosser, Martis and other nearby streams are expected to host a full complement of nimrods.

Traffic Shows Big Gain For March

Although there was a slight gain in the number of vehicles entering California by way of the Truckee quarantine station during March as compared to February, the count was not up to the mark set for March, 1961.

The monthly report from the department of agriculture shows there were 60,421 cars, 4,551 trucks and 845 buses checked at the local station last month with a passenger total of 159,604. This compares to 58,679 cars entering during February and 72,657 counted during March last year.

The Truckee station was second only to Yermo where 82,543 cars were checked.

Meyers station on Highway 50 reported 6,237 cars, 139 trucks and 43 buses, with a passenger count of 16,440 during March. This was a gain over February but was about 4000 cars short of the figure for March, 1961.

OFFICERS INSTALLED BY CATHOLIC GUILD

Mrs. Eve Hallett was installed as president of the Assumption Catholic Guild at a regular meeting of the organization held last month.

Other officers installed for the coming year were Mrs. Annie Rader, vice president; Mrs. Mae Mattos, treasurer; Mrs. Rose Waters, recording secretary and Mrs. Dorothy Androus, corresponding secretary.

After the installation, the group was entertained by young Joe Reichlin with several selections on his accordion.

The next regular meeting will be held April 30. All guild members and those wishing to join are asked to help get the new officers a good start.

LITTLE LEAGUE IS SHORT MANAGER

The Truckee Little League needs a business manager. Larry Lindsey, president of the league is interested in helping Truckee get started and will lend all possible assistance. He can be reached at the California Alumni Center in Tahoe City. The first game is scheduled for the season May 12.

TAHOE WOMENS CLUB WILL NAME OFFICERS

TAHOE CITY—The nomination of new officers will be the order of business Thursday, May 3 when the members of Tahoe City Women's Club hold their 12:30 luncheon meeting in Pop's Corner of Tahoe Inn. The luncheon will be ordered from the menu and bingo will be the diversion of the afternoon.

Flaming Follies To Be Presented On Friday, Saturday

Weeks of preparation will be culminated this weekend when the Truckee Fire-ettes will present their Flaming Follies Friday and Saturday evenings at the old Truckee elementary school, each performance starting at 8 p.m.

Service clubs in the Tahoe and Truckee areas are working hard to receive the \$25 prize offered for the best production.

Clubs participating include the Donner Lake Volunteer Firemen, Donner Lake Fire Department Auxiliary, Truckee Lions, Truckee Rotary, Truckee Volunteer Firemen, Squaw Valley Sports Club, Tahoe Squaws, Shadow Valley Country Club and Wyethia Club.

The audience will vote for the best skit on both Friday and Saturday nights.

The Fire-ettes are modeling some very old authentic costumes and also have a real "Can-Can" folies lineup. Tickets may be obtained from any Truckee fireman or Fire-ette, also at the places where posters are displayed in various stores.

Flaming Follies should be a "must" and everyone is urged to turn out and enjoy the fun and vote for their favorite group.

War Veterans Will Seat New Officers

CRYSTAL BAY—Harvey Martin will be installed as commander of Post No. 7077, Veterans of Foreign Wars, and Bea Snell as president of the VFW Auxiliary at a joint installation ceremony Saturday night at Crystal Bay Club. Pearl Draney, outgoing president and Earl Gray, outgoing commander, are planning the affair, which will include a cocktail hour and an 8 o'clock dinner.

Other officers to be installed for the post are Noble Murray, senior vice commander; Eddie Liddle, junior vice commander; Gary Eden, quartermaster; Bill Elliott, adjutant; Bill Dugan, Bill Fries and Bob Molsberry, trustees; Don Beck, chaplain and Dr. Alan Sklar, surgeon.

Other Auxiliary officers to be seated include Gladys McClellan, senior vice president; Esther Horstman, junior vice president; Louise Walter, secretary; Pearl Sigg, chaplain; Pearl Martin, conductress; Mae Weathers, guard; Wanda Brooks, Unadel Crawford and Peg Nelson, trustees.

SPORTSMENS MEET SLATED ON MAY 11

Due to the fact that the announced date of the Truckee Outdoor Sportsmen meeting with the state fish and game officials to discuss the planting program in this district conflicts with the opening day of the Flaming Follies, Director Charles Osburn announced that the meeting will be delayed.

The Sportsmen have set Friday evening, May 11 instead of April 27 as the date for the meeting with the officials.

All sportsmen and others in the district interested in the fishing program are urged to attend the May 11 meeting.

DAMAGE IS CAUSED BY FIRE AT SAWMILL

Damage estimated in excess of \$1,000 was caused at the Andequist sawmill west of Truckee Monday morning about 6 o'clock when fire started in the main building.

The fire was discovered by the Tahoe City mail truck driver, Morris Eeds, who notified Paul Doyle who in turn turned in the alarm. It was believed by department officials that the fire may have smoldered since the day before when welders were working in the structure.

The Truckee Volunteer Fire Department made its usual speedy appearance and within minutes had the flames controlled.

DeMOLAY BOYS AT MEETING IN RENO

Truckee representatives attended the weekend convention of the Nevada Association of DeMolay, held in the Masonic building, joining 200 delegates from 13 chapters.

Those attending included Terry Walker, J. C. Roberson, Charles Glenn and D. McGibbon, advisor.

Youthful Gunmen Hold Up Gateway Motel, Take Cash

Two youthful armed robbers entered the office of Gateway Motel at 9:15 p. m. Tuesday, threatened the manager, Mrs. Roxie Archie with a pistol, and escaped with \$103 in cash and two \$100 checks.

Later two suspects were taken into custody at Auburn and were being held pending further investigation and identification by the victim.

Mrs. Archie told officers that the two men, probably juveniles, entered the office and inquired if a Johnson lived there. Advised in the negative, one of the two pulled a revolver from his belt and said: "This is a stickup."

Mrs. Archie, who was sitting watching television, was told to remain quiet and she wouldn't be hurt.

They then inquired about the cash and were told where it was. They emptied the drawer, divided the money and talked of locking Mrs. Archie in a closet. Knowing that they were unaware of the difference between the closet and bathroom, Mrs. Archie went into the latter and locked the door.

The two men lingered briefly and left. They had apparently left their car in front of the shopping center as a dark sedan was seen speeding west a few minutes later.

Sergeant Roy Waters advised Auburn to hold the two suspects pending identification by Mrs. Archie.

First Forest Fire In District Is Fought

The Truckee district of the Tahoe National Forest experienced its first forest fire for 1962 Tuesday afternoon when nearly an acre was burned over in the Olympic Heights subdivision east of Truckee.

Ranger George Steed said it was evident that the fire had been started a few days previously but did not spread until hit by a brisk wind. The fire spread swiftly but was controlled through the joint efforts of the forest service men, Truckee and Donner Lake Volunteer Fire Departments, who were asked to assist in the threatening blaze.

The fire indicates that the forests are getting dry. A 15-acre blaze was stopped near Nevada City Monday.

Steed said a small patrol is being established here to watch for any incipient blaze. Fire permits for all burning are now required.

Wolverines Host Reno JV's Friday

The Tahoe Truckee varsity baseball team dropped a 15-4 decision to Quincy Saturday while the JV's were winning their game 12 to 2.

Doug Doolittle and Dave Decker both pitched good ball but they were victims of five outfield errors that allowed nine unearned runs to score. Norm Doolittle and Skip Wilcox both had two hits in three times at bat to lead the Wolverines in hitting.

For the second game in a row, JV Pitcher Karel Kiehlhofer struck out 14 opposing batters. He was helped in the hitting department by Greg Moore who had three hits in five times at bat, including a single, double, triple and four runs batted in.

Friday the Wolverines will play a home game against the Reno JV's at 4 p. m. If the local field is unplayable, the game will be moved to Reno.

Saturday the team traveled to Colfax to play a single game at noon.

SPRING THAW PLANS ARE COMPLETE HERE

The fifth annual Spring Thaw party, given for the benefit of the Truckee Cooperative Nursery School, promises to be a gala affair on the evening of Saturday, May 5 at Donner Lake Lodge.

The event will open at 9 o'clock, including a buffet and orchestra. As each year the attendance has increased it is expected that this will be larger than previous parties.

The sum of \$1.50 per person will be charged.

DAMAGE IS CAUSED ON LOCAL COURSE

Considerable damage was done to the first fairway of the Truckee Public Utility golf course Sunday by children riding horses on the terrain and apparently attempted to play polo, cutting deep holes in the earth and new grass.

The destroying of the property by the practice as well as unnecessary driving of automobiles, bikes and other wheeled vehicles will be prohibited if the course is to be for its designed purpose.

PLANNING STUDY IS STARTED AT TAHOE

AL TAHOE — Final contract documents covering the Tahoe Regional Planning Commission's \$90,000 master planning study for the Lake Tahoe Basin have been forwarded to the HHFA by the state planning boards of Nevada and California and preliminary work on the unique two-state five-county planning program is expected to get underway not later than May 1.

Announcement of the contract signing was made by the Lake Tahoe Area Council which acts as secretariat to the regional commission.

San Francisco ranks first on the Pacific Coast as a financial center and security market.

It happened 100 YEARS ago

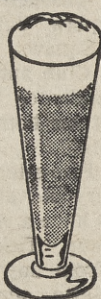

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862... the same year that

IN CALIFORNIA, despite the blizzard of '62, stagecoaches kept rolling on the Salt Lake City to San Francisco run. After arriving in California these rugged travelers often relaxed with a refreshing glass of beer.

For even then, beer was the traditional beverage of moderation. Beer still provides enjoyment for Californians, as well as a good living for the 26,300 employees and the many suppliers of the California Brewing Industry.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

SIX YEARS AGO BANKERS IN PHOENIX, ARIZONA, STAKED A COMPLETE STRANGER TO THE \$5,000 HE NEEDED TO BUY STEEL FOR HIS NEWLY ORGANIZED STEEL SUPPLY COMPANY. TODAY THE "STRANGER" IS WORTH MORE THAN A QUARTER OF A MILLION DOLLARS.

West Shore Notes

By MRS. ELLEN ATTARDI
Telephone JU 3-3917
Tahoe City

The defeat of the Truckee Tahoe Unified School District bond was the principal topic of discussion at the Monday night meeting of the Tahoe Lake School PTA executive board. The meeting was held at the Tahoe Lake School and it was the opinion of this board that a recommendation be made to the Unified School District Board that the bond issue be presented to the voters again at an early date.

Those present at the meeting were President Raleigh Hawk, President-elect Herb Beck, Dolores Mullen, Marion Michener, Betty Jorgensen, Paul Rivard, Pauline Keehn, Darrel Smith, Herb Kahn, Carol Onorato and Virginia Duttweiler.

Mr. and Mrs. Ray Stark of Tahoe City spent Easter week visiting with sons Rome Stark and Jay Stark and their families. The Rome Starks live in Fair Oaks while the Jay Starks reside in Yuba City.

Tickets for the "Flaming Follies," the benefit entertainment being sponsored by the Truckee Fire-ettes, are available locally at the Tahoe Inn. Performances will be held on the evenings of April 27 and 28. 'Tis rumored that there will be a number of great acts, not the least of which will be the premiere performance of Bob Affeldt as a dramatic performer.

Mrs. Ted Lewis and daughters, Susan and Linda of the Highlands spent the Easter holidays visiting with Mrs. Lewis' parents, Mr. and Mrs. S. S. Richards of Oakland.

More than 125 children enjoyed the annual Easter egg hunt sponsored by the Tahoe City Volunteer Fire Department. The hunt was held Sunday afternoon at the Tahoe City Commons and was charmaned by Don Lambert.

Leaving this weekend for a two weeks fishing, camping expedition is Mrs. Dorothy McCaskie of Tahoe City. Mrs. McCaskie will be accompanied by Mrs. Dorothy Warren and they will set up camp about 40 miles out of Red Bluff. We'll be expecting some tall tales from this pair.

Ray and Irene Grahn have returned to their Lake Forest home after wintering at their Palm Desert retreat. Daughter Karen remained in the desert area and will join her parents here after graduation from Indio High School on June 8.

Chuck Bacon became a proud uncle when Doug and Pat Capps of Reno became parents of John Henry Capps last week in Reno. John Henry weighed in at a mighty nine pounds, twelve ounces and grandparents are Bob and Jean Bacon of Tahoe City.

Warren and Betty Simmons of Squaw Valley are visiting in Hong Kong.

The Jack Duttweillers of Sierra Estates spent the Easter holidays visiting friends and relatives in Los Altos.

The drive for Cancer fund contributions is continuing until May 1, according to Chairman Eunice Henrikson of the Women's Club of Tahoe City. The entire solicitation in the North Tahoe area is being handled by mail.

Happy first birthday to Shannon Cole who observed her natal date

on Easter Sunday. Shannon is the daughter of Dr. and Mrs. Fenwick Cole of the Highlands.

Mrs. Bill Briner and two children of Tahoe City left this week to visit with Mrs. Briner's sister and her family, Dr. and Mrs. Frank Braken in Pullman, Washington. They will be joined there by Bill who will fly them to Seattle for the World's Fair and to Banff where they will attend the wedding of former Squaw Valley resident Eddie Hunter. The Briner's will return to their home here on June 8. Newly-weds Eddie and Carrie Hunter will visit Tahoe shortly after their wedding.

Celebrating April Wedding anniversaries were both the Harold Farris and the Paul Steinhauers.

The Squaw Valley Sporting Club is busy working on plans for a cross-country picnic ski trip which will take place very soon. The group plans cross-countrying the high terrain between Squaw Valley and Alpine Meadows, according to Club President Dr. Gardiner Pier.

Joni Shaver, young daughter of the Don Shavers of Lake Forest, is recovering from a tonsilectomy performed last week at Tahoe Forest Hospital.

With the enrollment of nine new students last Monday, the total enrollment at Tahoe Lake School is now 385 students.

Sally and Jake Lusky and daughter Bene of Tahoe State Park spent four days visiting Los Angeles and Disneyland last week.

The Ernie Marier family returned to their Lake Forest home Monday after a 10-day trip to Roseburg, Oregon.

Fire Chief and Mrs. Al Henry of Tahoe City left Wednesday for San Diego where they will attend a four day convention of the California Rural Fire Services organization.

The skiing Poulsen family of Squaw Valley added even more laurels to their already tremendous collection when they won the family ski racing championship held at Sugar Bowl on Donner Summit last Friday. Five of the Poulsens participated in the event which attracted skiers from all over northern California. The winning combination was composed of Wayne, Jr. and Lance.

Seventeen Brownie Girl Scouts of Troop 44 in Tahoe City will enjoy a swimming session at Moana Pool in Reno this Saturday. Brownies expecting to make the trip are Debbie Stark, Mindy Bechdolt, Jackie Marier, Dorothy Pomin, Cathy Collins, Laura Hoxsie, Kristan Attardi, Sharon Christensen, Sally Starratt, Lynn Duttweiler, Patty Northrup, Mary Lou Bendorf, Leslie McBride, Karla Meixner, Peggy Hoff, Marlene Milligan and Christina Keehn.

The Al Lundgrens of Lake Forest entertained their son Jack and his wife Carol and their three children of San Rafael last week. Also visiting with the Lundgrens were Janis and Robert Rueckhin

WINNER, AAA TRAFFIC SAFETY POSTER CONTEST

and their three children of Van Nuys. Mrs. Rueckhin is the Lundgrens daughter and the Rueckhins plan on moving to this area about the first of June.

First practice for Tahoe City Little Leaguers will be held this Saturday, April 28, at 10 a. m. at the Tahoe Lake School playing field.

Assisting School Nurse Ruth Knight with an immunization program held at the Tahoe Lake School Tuesday were volunteers Gladys McClanahan and Betty Jorgensen.

Handling refreshments for the Tahoe City Little League this season will be Mrs. Lee Cannon of Tahoe City.

A house guest at the Tahoe City home of Ruth and Ben Jones last week was Mrs. Jones' aunt, Mrs. Emma Long of Denver, Colorado.

Good showings were made by the junior racers of the Lake Tahoe Ski Club who participated in the Easter week ski races held at Sugar Bowl Saturday and Sunday.

In the bowl's junior championships held Saturday, Larry Lindsey placed first in Class II and Lance Poulsen placed first in Class III. In the girls' division, Dianne McBride placed second in the Class III competition.

Classes IV and V competed Sunday in the Walt Disney trophy races with Eric Poulsen, Tad Hall, Sandra Poulsen and Doug Lindsey all placing among the top three in their respective divisions.

Tahoe Squaws President Audrey Brecher is proud of the act that the Squaws will present at the "Flaming Follies" to be held this Friday and Saturday at the old Elementary School in Truckee. She claims that the Squaws act will be well worth the admission price of \$1.50 per person by itself. The "Flaming Follies" is being sponsored by the Truckee Fire-ettes for the benefit of the Truckee Fire Department. The performance will start both nights at 8 p. m. and the Saturday night performance will be followed by a no-host party at the Capitol Cafe in Truckee.

Randy Pomin spent Easter week vacationing (and working) with his parents, Mr. and Mrs. Bob Pomin, in Tahoe City. Randy is a student at Sierra College in Rocklin.

The Tahoe Forest Hospital was the recipient of tray favors for patients made by Troop 44 Brownie Scouts of Tahoe City. The favors

were made under the supervision of Leaders Hazel Hoxsie and Helen Christenson.

Visiting with relatives and friends in Merced, Yosemite and Sacramento last week were Mrs. Jim Baker and children Christine, Danny, Pamela, Richie and Yvonne.

M. F. "Bud" Jones of Carnelian Bay is participating this week at the Far West Ski Instructors' Association convention at Mammoth Mountain. Bud is head coach for the Lake Tahoe Ski Club.

Plans are well under way for the "Sierra Spree," the benefit social being sponsored by the Tahoe Forest Hospital Auxiliary. Plans were formulated at a beach picnic meeting held at the home of Maxine Polzin last Monday. The "Spree" is scheduled to be held on the evening of May 25 at the North Shore Club in Crystal Bay.

General chairman of the event is Dorothy Sipes. Other committee members are Bern May, Maxine Polzin, gaming; Arlene Larson, Dottie Caulkett, decorations; Jean Palmer, waitresses; Nancy Tomlinson, publicity; Barbara Skerry and JoAnne Affeldt, tickets; Beverly Ribal, Beccy Shontz and Jean Van Wetter, area arrangements.

"Fire Services Day," a national project, will be celebrated locally with all three North Shore Tahoe Fire Departments observing open houses on May 5. Cooperating in the program are Fire Chiefs Al (Continued on Page 9)

DONNER DOINGS

By VIRGINIA O'BEAR

The weather was just made to order for Easter and about 20 children from the west end of Donner Lake enjoyed a Easter egg hunt at Donner Lake Lodge. The party started at 1 o'clock Sunday afternoon and I can just imagine how hard Olga Welch worked to color all of those eggs. She even had the children's names on the eggs and prizes were given to the one finding their own names on the eggs. The weather brought

out the fishermen, too. It was just like old times with the lake covered with fishing boats. Willie Curran caught the largest one this year so far and is mighty proud of his mackinaw. Bill Knapp was showing off his catch so now we know there's fish in Donner Lake. The ice has been off the water little over a week but we saw some water skiers out in that icy water Sunday. I'm going to wait awhile before I get up the nerve to go swimming. I'm not that anxious. We are getting anxious to go boating.

It won't be long before construction starts full swing. Then it will be noisy at Donner as re-

DAYLIGHT SAVING TO ADVANCE UNDER BILL

SACRAMENTO — (CNS) — The assembly has approved by a vote of 56-11 a bill which would put the question of extending daylight saving time one month in the fall to a vote of the people in June, rather than November.

The 1961 legislature approved a bill by Assemblyman William T. Bagley, San Rafael, which, if approved by the people, would extend DST from the last Sunday in September to the last Sunday in October.

Governor Edmund G. Brown opened the present special session to the question of changing the election from November to June in order for the change to take effect this year, if the people approve it.

Assemblyman Bagley said the bill changing the election date should not involve the pros and cons of DST, the rural vote which traditionally has opposed DST made itself heard.

Assemblyman Lloyd W. Lowrey, Ramsey, asked why people couldn't go to work one hour earlier by the clock without changing the official time and "avoid all this confusion that happens in every house."

Assemblyman Charles B. Garri-gus, Reedley, said DST works a genuine hardship on a minority of school children and farmers.

"In order to delay this hardship as long as possible for this minority I will ask for a 'no' vote," Garri-gus said. "At least this will keep the school children out of the dawn during this next fall."

The measure must be approved by the senate.

Seven presidents of the United States were born in log cabins—Lincoln, Jefferson, Jackson, Fillmore, Buchanan, Garfield and Arthur.

Milan couldn't come into the high altitude until now.

Many families enjoyed Easter week at Donner. The Arvins, the Don Hagemans, the Carson Whites and so many, many others. Pretty soon all of the summer residents will be moving back too, so there will be plenty of lights across the lake at night reflecting on the water.

I can't help but wonder what will happen when the freeway is finished in back of us and the people speed on their way in a mad hurry to gamble away their money. With so many annual things being dropped, I wonder what we will do in a few years to attract people to Donner Lake and Truckee? Will we hear the familiar phrase we heard a few years ago such as: "what can we do to get people to our area?" I feel we should think of the long weekends in between seasons and of other months when things are dull around here. I wonder if Donner Lake will turn into the quiet resort area everyone predicts or whether we will slowly die and rely on the locals to keep us going? The past few years people have been hearing about Donner Lake and Truckee and even though they didn't make it in July for certain big weekends, you can just bet they came up other times during the year to find out if all those nice things we told were true. This is true because I've had out of town people tell me so. Well, anyway, we tried . . . you can't do things along, soooo . . . I'm going fishing, too.

STATE PLANNING TO LIMIT DEER HUNTERS

SACRAMENTO — (CNS) — Officials of the state department of fish and game have given a cautious and qualified acceptance to a proposal that buck hunters may have to be limited to certain areas in the future to prevent too heavy concentrations.

The proposal will be advanced by Thomas Richards, Jr., fish and game commissioner from Sacramento, probably at the commission's April meeting on hunting regulations for 1962. Because legislation would be needed to permit a quota system for buck tags in a county, no action could be taken until at least 1963.

However, Richards said he felt the subject should begin to get some study. He said his primary concern now is with several of the northeastern counties where heavy concentrations of hunters develop in the late season.

Walter T. Shannon, director of fish and game, noted that the rank and file of buck hunters had violently opposed such ideas in the past.

"As the population increases in California, there may be too much pressure on the bucks in certain areas," Shannon said. "It might be desirable to limit the bucks taken. If this occurred, we should have the legislation to permit it."

"When there are too many people hunting in an area, this

EDELWEISS GIRL IS WINNER OF TROPHY

DONNER SUMMIT— The Sugar Bowl Ski Club wound up its racing season with junior skiers looking ahead to the Olympics of 1964 and 1968. It was Walt Disney trophy race day with the championship going to Jenni Schachtli, 11, for the second year in a row.

This time the Edelweiss youngster even outskied the boys in the giant slalom. One Olympic hopeful, for 1968, Jenni is coached by her parents, Mr. and Mrs. Randy Schachtli, the directors of this year's Sacramento Bee Silver Ski race.

causes resentment of the people which carries over and results in their opposing other programs, mainly because of the original resentment," he said.

Ben Glading, chief of the game management division, said he believes "there's a place in deer management for this sort of thing." Glading said it would not cure all the problems but could prevent heavy hunter concentrations.

"However, you don't want to herd people around unless you have a good reason," Glading said.

Both Shannon and Glading emphasized there was no need for limitations on buck hunters at present.

CORRECTED YOUTHS FIND WORK SCARCE

SACRAMENTO — (CNS) — California's economy may be booming but the picture of employment for wards of the California Youth Authority appears to be nearly as gloomy as it was during the recession days.

For a while, during 1960, the CYA made regular monthly reports on employment opportunities for the wards but since has discontinued them.

"We have to admit, of course," said a CYA spokesman, "that the employment picture for our wards is not any yardstick for overall conditions. Our wards often are the last people that would be employed."

Reports from the various districts include: Fresno: "Employment has slackened off considerably during the past month. The only type of agricultural work available is pruning. This is a semi-skilled job and not too many of our wards are qualified."

Sacramento: difficulty in finding employment results in a chain reaction. A ward has no job, then no money, then boredom comes and law violations result. At one period last spring and summer when one of the parole agents had every ward in his caseload but three employed, there was very few violation reports.

San Francisco: The situation is relatively poor, due to usual winter unemployment, with little change for the better expected until spring.

Los Angeles: Some of the more marginal employable risks found at least part time employment during the Christmas season. Employment has picked up considerably.

MOSK MAKES REPORT ON NARCOTIC TRAFFIC

SACRAMENTO — (CNS) — Attorney General Stanley Mosk reported that 19,243 persons were arrested for narcotics violations during 1960 and half of them were expected to be arrested again by 1962.

The lengthy report of the attorney general, "Narcotic Arrests and Their Disposition in California-1960," dispelled two beliefs about the narcotic traffic.

In the first place, Mosk said that only 133 arrests, or less than one per cent of the adult arrests, was for the sale of narcotics or drugs to a minor. The second was that 77.7 per cent of persons arrested as new addicts already had criminal records, indicating that persons are not driven to crime by narcotics, as often reported.

"The specter of a shadowy figure loitering about every school ground or other place where youths congregate, soliciting them and imploring them to use narcotics has possibly been grossly over-popularized," Mosk said. "In most instances the youth is probably enticed, or at least offered the opportunity for use, by someone on a more personal level."

On the other matter, Mosk said the data showing the prevalence of criminal histories among persons arrested as new narcotic addicts "would seem to demonstrate that the narcotic offender is first a criminal before he becomes involved in narcotic activity."

"On this basis, the statement that narcotic offenders are forced into a life of crime to support their narcotic habit cannot be supported by the facts available," the report said.

More than one-third of the adult arrests in 1960 were for addiction or use, the report said. One out of every four arrested was for a marijuana offense.

SLOW DRIVERS ARE RAPPED BY OFFICIAL

SACRAMENTO — (CNS) — Senator John F. McCarthy, San Rafael, introduced a resolution in the state senate today calling for a crackdown by the California highway patrol on slow drivers on freeways.

McCarthy, who was author of a law enacted in 1957 which requires slow-moving vehicles to drive only in the right hand lane, said arrests for this violation have decreased rather than increased, despite a growing danger.

"These thoughtless or careless drivers are causing death and injury," McCarthy said. "They clog the free flow of traffic and cause the quick stops and lane switching that send too many Californians to our hospitals and morgues."

Seventy-five large establishments with national headquarters in San Francisco have combined assets in excess of \$40 billion.

ably in the San Gabriel valley. San Diego: Employment was at an all-time high in November but unemployment rose and the forecast for marked increases in unemployment levels.

North of Sacramento: Employment conditions extremely poor, which can be expected for this time of the year.

LAKE HIGHWAY WORK WILL END BY JULY 1

KINGS BEACH — Residents of the North Lake Tahoe Area were told that their highway construction problems would be over July 1 of this year by a spokesman for the California Division of Highways. This announcement was made by Edward Miller, the division's district operations engineer, at a public meeting of the area's residents arranged by the Lake Tahoe Sierra Chamber of Commerce.

Two legislative representatives, State Senator Ronald G. Cameron, and Assemblyman Paul Lunardi sided with residents to obtain answers from the state agency on this controversial \$1,000,000 construction project. The highway work has been said to have seriously damaged the 1961 summer vacation season and the purpose of this session was to ward off any possibility of a recurrence during 1962.

Construction remaining on the project consists of more than three miles of two lane roadway and approximately one-half mile of four lane street section. Work will resume on May 1 of this year and emphatic assurances were made by both the state and the Madonna Construction Company that the major grading and paving could be completed before June 15, barring adverse weather conditions.

Residents, led by W. E. Gray, acclaimed a decision of the division to allow weekend construction on the roadway through June 15, which could bring about their demand for completion of the project by that time.

ADMINISTRATORS IN FAVOR OF BEQUETTE

The candidacy of Al Bequette, county superintendent of schools, for a return to that office was unanimously endorsed by those present at the Placer County administrators association meeting at Tahoe Truckee high school last week.

"We wished to continue the leadership he has demonstrated during the past decade," Harold Weaver of Sierra College stated of the endorsement.

In other business, the group planned a summer meeting and institute for the county administrators association. Planned is a special session of working with state legislators to discuss this year's legislation and its possible demands and results. The larger meeting is slated for August.

FIGURE SKATE CLUB WILL INCORPORATE

SACRAMENTO — (CNS) — Secretary of State Frank M. Jordan announced the Squaw Valley Figure Skating Club, Inc., has filed articles with his office to form a non-profit corporation.

The club listed its directors as Mrs. Marge Fellows, Carnelian Bay; and Peter B. Johnson and Mrs. Carol Tollefson, both of Squaw Valley.

Club Speaker— Wylie Jones of Crystal Bay was the speaker at the Nevada City Rotary Club Thursday luncheon.

PICKETS WITHDRAWN FROM INCLINE WORK

RENO — Pickets were withdrawn from water system, street construction and sewer construction projects in Incline Village, Lake Tahoe, after the contractor and the Building Trades Council of Northern Nevada reached agreement on a labor dispute.

Pickets were established after Stanley Jones, building trades council business manager, charged Utility Contractors, Inc., failed to

NORTH TAHOE BRIEFS

By BETHEL
Telephone Liberty 6-3842

Did you too renew your patriotism at 10 a. m., April 19 by saying the pledge of allegiance when the church bells chimed the bells across the nation for Patriots Day? The American Legion sponsored and carried out the idea. Perhaps a few more ideas along this line would further our allegiance and

patriotism.

Bonnie Meyers of Auburn was a Tahoe Vista visitor to cousins Bethel, Pieter and Jan Van Tassel on Wednesday.

Greg Gunkel of Tahoe Vista spent part of his Easter school vacation in Reno with Pat Cinanni. Pat returned to Tahoe Vista with Greg for the balance of the week. Parents, Mike and Jean Cinanni, joined the Gunkel family, Lyle and Adeline, for Easter dinner on Sunday.

Bev Ribal and daughter, Chris-

tine, of Carnelian Bay were Stockton visitors during Easter vacation.

Hugh McWilliams and son, Butch were business visitors to Sacramento on Thursday.

Kings Beach Fire Chief Joe Fulton proved the worth of first aid which was rendered to a heart attack victim. Mr. and Mrs. Ed Stump of Fort Bragg were visiting in Kings Beach when the attack occurred that placed Mr. Stump in the hospital.

Ruth White of Kings Beach en-

tertained her daughter and granddaughters Mrs. Ray Gobbi and Debbie, Lori and Cathy during Easter week.

Mrs. Pat Saltzen and sons, Stevie and Richard, of Napa spent the Easter vacation week with parents and grandparents, the W. A. Howes at Tahoe Vista.

It was Las Vegas for several days vacation for Bill and Arty Burrill of Crystal Bay.

Audrey Welch of Kings Beach entertained sister, Mary Lynn, of Auburn last week.

Eda Judy of Kings Beach entertained her nephew and family, the C. W. Hesses, of Sunnyvale during Easter vacation.

Pearl Martin of Kings Beach flew to Las Vegas to visit mother, Mary Gallerann, and other relatives. Sister and husband, Lt. Col. and Mrs. Vincent Verfuert of Washington, D. C. were also vacationing in Las Vegas and Pearl had a happy reunion with them too.

Reno Coiffure Guild held a contest to demonstrate the spring and summer trends of advanced hair

styling in the garden room of the Hotel Riverside. Jetta Steward of Crystal Bay was an entrant in the contest and her model wast Patti Wells of Kings Beach.

Mary Koberna has returned to the Carnelian Bay home of her daughter, Helen Chanda, after spending four months in Inglewood. Visited daughter, Sylvia Eijbl for the winter months. Mrs. Koberna, who is 92, will be at home to friends.

Gary and Ann Gunkel were up from Chico with children to visit Gary's parents, Lyle and Adeline

Gunkel, at Tahoe Vista.

Congratulations to Steven and Penny Hulbert Frost on the birth of their first child on April 16. Patrick Christian Frost weighing nine pounds, two ounces, was born at St. Mary's Hospital in Reno to the proud parents. Equally happy were Noel and Peg Hulbert of Kings Beach, maternal grandparents.

Joan and Jerry Thron of Compton and baby daughter, Jeannette Marie, who was born January 6, are visiting baby's maternal grand-

TAHOE BRIEFS

(Continued from Page 5)

parents, Noel and Peg Hulbert on the Gardnerville ranch during their vacation.

Noel Hulbert has returned to part time work in Kings Beach to assist in the increased business activities. Spring cleanup. Noel reports he has finished a big new barn after working on it all winter at his Gardnerville ranch. Crops are all in and he and Peg plan to return to Kings Beach for the summer come May 1.

Bob and Pearl Moore and daughter, Cyd, were visiting friends in Kings Beach Sunday from their new residence in Reno.

Bob and Tally Daneri of Kings Beach were San Francisco vacationers for a week.

Tom and Pat Koskey of San Jose spent a week at their Brockway home. Also visited Ray and Barbara Bergman in Reno during their stay.

William and Joan James and children, Dieder, Keith and Kirk of San Francisco were guests of Tom and Hazel James at Tahoe Vista. Dieder remained for a few days visit after parents returned home.

Bob Clarke of Bob's Donuts at Kings Beach has expanded his operations. Moved to a new and larger building at Speckled and Fox Streets to continue his wholesale donut business.

Beverly Westbrook and son, Bryan, of Los Gatos visited Mr. and Mrs. George Bacus at Tahoe Vista over the weekend. Sheila Bacus returned with sister, Beverly, to spend Easter vacation.

Don and Nelle Barkhurst of Brockway entertained weekend guests Tommy and Wilma Lucan of Citrus Heights.

The Barkhursts motored to Roseville Wednesday to spend the day with former Tahoe Vistans, Peg and Larry Ludlow.

Group Captain and Mrs. H. Hubbard spent Easter vacation with Don and Dorothy Beck at Kings Beach. Captain Hubbard is with the R.A.F. in England.

Mr. and Mrs. Percy Roy are visiting daughters and family at Kings Beach. Dorothy and Don Beck and Eileen and Barney Wil-
son.

Mike and Millie Plevel have returned to Kings Beach after spending the winter at Aspen, Colorado. The Plevels report they had a wonderful experience while operating their business in Aspen and also an education businesswise and in skiing. However, son, Mike, fractured his leg which is just now out of cast.

Daughter, Marilyn, is attending college at Boulder and will join the family when school is out. Patrick, Michael, David and Michele, and Louise are all back with their parents and attending Kings Beach school.

The Plevels will open their business weekends until May 15 when they plan to be open for full time operation.

Welcome back to Kings Beach.

Mr. and Mrs. Christian Nyby and children, Chris, Jr., and Kirk, of Malibu are vacationing at Tahoe Vista at Bill and Helen Elliott's.

resort. Mr. Nyby is a director of the Bonanza and other TV series.

Marg Walker of Tahoe Vista is recuperating at St. Mary's Hospital in Reno following surgery.

Mr. and Mrs. Richard Anderson of Crystal Bay are enjoying a week's vacation to Mexicali and Nogales, Mexico.

John Field and Ray Gawronski of Kings Beach spent Thursday in Sacramento on business.

Fire Belles of North Tahoe met at the Crystal Bay Club last week. Details next week.

Women's Society of Christian Service will meet at the Kings Beach Community Methodist Church on Wednesday, May 2 at 10:30 a. m. in the Fireside Room. Eda Judy will install the newly elected officers. All members will bring a sack lunch and coffee and dessert will be served, according to newly elected president, Pearl Draney.

Circle the calendar for the next W.S.C.S. card party to be held on May 7 at Adeline Gunkels Tahoe Vista home. This will be the third of the series of successful fun parties for benefit of the group under the direction of W. S. C. S. president, Pearl Draney.

Lee Aversente, president of the Campbell Garden Club at Campbell, will once again be the guest of the Women's Club of North Tahoe at their April meeting on the 30th. A noon luncheon at Vel's Patio Restaurant in Kings Beach will be followed by another unusual show by Lee who is outstanding in her field. Flower arranging, ceramics, and all matters pertaining to gardening, glass work, are Lee's specialties and she promises to bring a new and interesting show for the club. Members and their guests and friends are cordially invited to attend the meeting, according to president, Pearl Kientz. Reservations may be made by phoning Pearl Draney at LI 7-2407 or Bethel Van Tassel at LI 6-3842, or Alice Hall at LI 6-2609.

Lake Tahoe - Sierra Chamber of Commerce sponsored a meeting at the Kings Beach School on Thursday evening to discuss the problems of the highway construction with Senator Ron Cameron, Assemblyman Paul Lunardi and Ed Miller of the state highway department, and Madonna Construction Company representative, Or-

ville Beeman.

The public meeting was the result of work of the chamber of commerce highway committee, of which Tom James of Tahoe Vista is chairman. Other members of the committee are Earl Gray of Kings Beach, chamber manager Fred Schultz of Tahoe Vista and Selby Calkins, president of the chamber, of Incline Beach.

Main facts brought out at the meeting was that Madonna has 25 to 27 working days to complete the work on the highway. Starting date is May 1 and it is "hoped" that they will be out by June 15. A full scale crew will start the construction and a \$500 per day penalty will be charged Madonna if the work is not completed in the allotted time.

Members of the Women's Club of North Tahoe assisted by phoning residents of the area to inform them of the meeting. Alice Hall was chairman of the telephone committee and assisting here were Madeline Moseley, Marguerite Ashton, Artie Burrill, Sophie Levara, Ella Rae Fulton, Pearl Draney, Dorothea Whitley, Marian Mueller, Louise Walter, Carrie Gray and Bethel Van Tassel.

The meeting was well attended and it is hoped that the promised results will be forthcoming.

Newcomers to Kings Beach from Kansas who are residing at Hall's Haven are Mr. and Mrs. Charles Mobley and family and Mr. and Mrs. Donald Hayes and family. Welcome to Tahoe.

Well, double sessions face the Kings Beach Elementary School due to failure of the bond issue. Probably up through the fifth grade according to reliable sources. It is hoped that some solution will be found to eliminate the situation.

Our sympathy is extended to Tom Hoffman of Tahoe Vista on the death of his mother, Mrs. Mary E. Hoffman. Mrs. Hoffman, 74, died of a heart attack at her home in Gardena.

The largest single item in California's 1959 cash farm income was derived from cattle and calves, accounting for \$445,000,000.

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse, Truckee.
Sunday School, 9:30 a. m.
Morning services, 11 a. m.
How divine guidance aids man in his efforts to make spiritual progress will be brought out Sunday at Christian Science church services.

The lesson-sermon entitled "Prophets After Death" will include these words of the psalmist: "as for God, his way is perfect: the word of the Lord is tried: he is a buckler to all those that trust in him . . . it is God that girdeth me with strength, and maketh my way perfect" (Psalm 18).
This citation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will also be read (p. 324):
"The way is straight and narrow, which leads to the understanding that God is the only Life. It is a warfare with the flesh, in which we must conquer sin, sickness, and death, either here or hereafter, — certainly before we can reach the goal of spirit, or life in God."

LIQUOR LICENSES IN STATE SELLING HIGH

SACRAMENTO — (CNS) — Liquor licenses are being sold for even higher prices now than they were before the 1961 legislature enacted a new law designed to ease the shortage and bring down the exorbitant transfer prices.

A survey by the department of alcoholic beverage control showed the average price for transfers of off-sale general liquor licenses during the last six months of 1961 — after the new law took effect — was \$14,198. The average price during the first six months, and before the new law, was \$11,536. The state's original charge for the licenses is \$6,000.

Even in the transfer of on-sale liquor licenses, where the demand is not quite so critical, the average price for transfers rose from \$8148 during the first six months of 1961 to \$8733 during the latter half of the year.

The Great Salt Lake in Utah is a remnant of the ancient Lake Bonneville.

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO — (CNS) — The California highway commission apparently is becoming slightly perturbed over the many allegation that it rides rough shod over the wishes of the people in various areas in the matter of freeway location.

To dispel some of the controversy and ill-feeling that has arisen, it has issued a lengthy treatise on the method of locating new roads, and has cited specific instances to show that its actions, sometimes termed arbitrary, have not been taken without due consideration and lengthy consultation with city and county officials in the areas involved.

The treatise outlines the twelve steps that are taken before actual construction of a freeway starts, the first step being an announcement by the commission that a location study will start, consultation with local planners, public meetings with map displays, another review of the proposed route, recommendation to the highway commission by highway engineers, another public hearing if requested by local authorities and route adoption.

Even after the route adoption, the division of highways then negotiates a freeway agreement with the city or county on alteration of local streets. The rest of the steps include preparation of detailed plans, budgeting, purchase of rights-of-way and finally, commencement of construction.

With all of these steps, afford-

ing plenty of opportunity for opposition to any given route, it would appear unfair to pin back the ears of the highway commission for alleged arbitrariness in selecting routes.

For instance, in the case of Bidwell Park in Chico, where a route selected through a corner of the park was approved, the highway division was furnished with a master plan as early as 1950, 12 years ago. Many hearings were held and a route was adopted in 1956. An agreement with the city of Chico was executed in 1958, and another agreement with Butte County in the same year.

The Emerald Bay Bridge, proposed as the best solution and certainly the least expensive for an all-year west-side highway at Lake Tahoe, is probably the classic example of the battle over highways through state parks.

This battle started in 1948, and for 14 years, interests opposed to bridging the bay, have been hindering the residents of the Tahoe area from having satisfactory transportation, despite the fact that the El Dorado County board of supervisors in 1956 urged construction of the bridge and necessary approaches.

And just recently, Governor Edmund G. Brown himself added to the opposition of local residents when he declared in favor of a high level road, at an added cost of about \$9,000,000 to California taxpayers.

The highway commission generally has attempted to construct freeways and new highway at as reasonable cost as possible, but on the other hand, it has not neglected consideration of aesthetic values in selecting routes. No matter

THAT'S A FACT

THE FLAMINGOS OF BONAIRE

MORE THAN HALF OF ALL THE FLAMINGOS IN THE WORLD LIVE ON THE ISLAND OF BONAIRE IN THE NETHERLANDS ANTILLES. BONAIRE ATTRACTS THESE MAGNIFICENT BIRDS BECAUSE OF THE ABUNDANCE OF SMALL FISH AND SEA URCHINS FOUND ON THE ISLAND'S NOW-UNUSED SALT BEDS.

EDUCATION!

DUCK!

LEIGH JENNINGS OF THE OLD BAIT-MORE ORIGLES WAS HIT 49 TIMES IN ONE SEASON (1956) BY A PITCHED BALL!

DID YOU KNOW....

IF YOU LOSE YOUR U.S. SAVINGS BOND, IT WILL BE REPLACED FREE OF CHARGE? AND THAT YOU CAN GET YOUR MONEY ANY TIME YOU NEED IT? U.S. SAVINGS BONDS ARE DESIGNED TO YOUR CONVENIENCE. BUY EM NOW AND KEEP ON BUYING EM!

TOP GOLF PLAYERS WILL MEET AT LAKE

Some 300 of the west's top amateur golfers have been invited to take part in the first annual Harrah's Invitational Golf Tournament at South Lake Tahoe on June 3-6. Hosting the best ball foursome in the 72-hole tournament will be Bill Harrah, according to Alex Stewart, tournament coordinator.

In addition to some 120 daily awards during the four day tournament for best individual and team scores, there will be a hole-in-one contest with a 1962 Rolls Royce or a 1962 Ferrari as the prize.

The tournament committee, composed of Bill Harrah, Bob Ring, Al Fontana, Curly Musso, Lee De Lauer and Stewart, has planned a complete four-day entertainment package in conjunction with the golf tournament with a host of daily activities for the wives of the tournament players as well.

The tournament will take place over the Lake Tahoe Country Club and the Glenbrook golf courses with the teams alternating each day.

COUNTY SHARES IN HIGHWAY USE TAX

SACRAMENTO — (CNS) — State Controller Alan Cranston reported Nevada County's share of highway users tax distributions in March was \$25,582.

The total March apportionment was \$28,425,319, of which the state received \$18,574,275 to be spent on highways. The counties received \$18,574,275 to be spent on highways. The counties received \$7,122,406 and the cities \$2,728,638.

The six-cent gasoline tax accounted for \$26,94,927 of the total, with diesel fuel tax amounting to \$1,253,401 and transfers from the motor vehicle transportation tax fund \$976,859.

GRAZING FEES SET FOR FOREST LANDS

The 1962 grazing fee rates for national forest range lands have been received by the Tahoe National Forest. Supervisor Henry (Hank) Branagh reports that the fees for cattle have been set at 61 cents per animal month and for sheep 10 1/4 cents per animal month. So that the U. S. Government receives a fair return for the use of the public land, grazing fees are charged the livestock owner.

The Tahoe National Forest ranges provide the summer portion of operation for 2,500 head of cattle and horses and 11,500 sheep. There are 42 cattle ranches and 10 sheep operators who graze livestock on the forest.

what route is selected in these days of an expanding California, some toes are going to be squeezed, as much as the commission would like to avoid unpleasanties.

Sparky says:

They'll play safe when left with a trained sitter

Don't give fire a place to start!

STATE WATER SUPPLY IS ABOVE AVERAGE

SACRAMENTO — (CNS) — The water supply situation for California this year will be above average, even if there is negligible precipitation during the next few months.

That is the latest report from the state department of water resources and it reads about as differently from reports of past seasons, or earlier this season, as possible. In those reports, such as one issued on February 1 of this year, it had been forecast that, even with above normal precipitation, the water outlook would be grim.

Not so for this year. "The runoff season, which has

now begun, holds every promise for what would best be called a good year, rather than a big year," the department said. "All too often in California, if there isn't a drought condition, there is a flood or a flood potential."

"This year, the excellent snowpack, which exists in the mountainous areas of the state, will produce above average streamflow," it said.

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p. m. on May 16, 1962, at which time they will be publicly opened and read in the Assembly Room of said building, for construction on State highway in accordance with the specifications therefor, to which special reference is made, as follows:

Nevada County, at five locations between Truckee and Nevada State Line (III-Nev-38-A-B), about 1.1 miles in net length of 49-inch chain link fence (rock fence) to be constructed.

Bids are required for the entire work described herein.

Plans, specifications, and proposal forms to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the offices of the District Engineers at Los Angeles and San Francisco, and at the office of the District Engineer of the district in which the work is situated.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Standard Specifications and special provisions. Each bidder must be licensed as required by law.

The Department of Public Works reserves the right to reject any or all bids.

Abbreviations used in the schedule of predetermined wage rates in conjunction with employer payments listed in the right hand columns are identified as follows:

ph	per hour	pd	per day
phw	per hour worked	pdw	per day worked
php	per hour paid	pdw	per day paid
phw/p	per hour worked or paid	pdw/p	per day worked or paid
psht	per straight time hour	w	wage
pshtw	per straight time hour worked	gw	gross wage
pshtp	per straight time hour paid	tw	total wage
pshtw/p	per straight time hour worked or paid	pmd	per man day

Employer payments other than those itemized herein, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workmen or mechanics employed on the project.

Overtime, Sundays and Holidays—not less than one and one-half (1 1/2) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

Copies of all collective bargaining agreements relating to the work as set forth in the aforementioned Labor Code are on file and available for inspection in the office of the Department of Industrial Relations, Division of Labor Statistics and Research.

Attention is directed to Section 7-1.01G of the Standard Specifications providing for employment of apprentices on the work. Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the trade at which he is employed. Information relative to employment of apprentices shall be obtained from the Director of the Department of Industrial Relations, who is the Administrative Officer of the California Apprenticeship Council.

Pursuant to the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the county in which the work is to be done to be as follows:

Basic rate			
per hour	Classification	H and W	
30	Fence Erector	15c phw(2)	
225	Flagman	10c phw	
225	Laborer	10c phw	

c) travel time is considered as time

(2) travel time is considered as time worked.

Any classification omitted herein not less than \$3.225 per hour plus employer payments set forth in the collective bargaining agreement applicable to the class or classification of the workman or mechanic involved, as defined in Section 1773.1 of the Labor Code.

FISH FORAGE FOUND FOR LAKE SPECIES

Fisheries biologists of California and Nevada think they may have found a species of forage fish which could fit into the fish community of Lake Tahoe and improve angling at the lake, it was reported today by California's Department of Fish and Game.

The biologists have been co-operating in a research project at Tahoe for a year and believe that selection of a suitable forage fish could be important in establishing a better fishery at the lake.

After extensive study of various species of forage fish, DFG biologist Almo Cordone and his Nevada counterpart, Ted Frantz, last month went to Bear Lake on the Utah-Idaho border to take a look at the Bonneville (sometimes called peaknose) cisco, a prolific fish which their studies indicated could be the answer to their search.

A native of Bear Lake, this cisco is closely related to the mountain whitefish, grows to about eight inches at maturity, and lives in deep, cold water. It comes into shallower water to spawn, usually in middle or late January each year.

Feeding primarily on plankton and microorganisms, the cisco does not compete for food with most larger game species. It is said to be good eating for humans as well as for fish.

A major value of a forage fish introduction into Lake Tahoe, the biologists say, would be to provide abundant food for the lake's mackinaw trout and cut down their predation on young, planted rainbows and cutthroat. It is felt that this would eventually mean more trout in the angler's creel.

Now begun, holds every promise for what would best be called a good year, rather than a big year," the department said. "All too often in California, if there isn't a drought condition, there is a flood or a flood potential."

"This year, the excellent snow-

pack, which exists in the mountainous areas of the state, will produce above average streamflow," it said.

TELEVISIONS EXCEED WASHING MACHINES

SACRAMENTO — (CNS) — More California families have television sets than have telephones or washing machines. Nearly six times as many families have television sets than have gas or electric clothes dryers.

More California households have two television sets than families have air conditioning.

More families have a television set than have automobiles avail-

able.

These are statistics secured by Maurice I. Gershenson, chief of the division of labor statistics and research, department of industrial relations. The statistics are based on a total of nearly 5 million households.

The survey showed 89 per cent of all housing units (4,411,587) have televisions, while 83 per cent have telephones (4,130,218). Eleven per cent have two or more television sets.

SOME SMART ALECK STOLE HALF HER LIFE

She'll miss those carefree summers at the beach, the dances, the parties—so many happy times. And all because some driver ignored a warning signal. Law violations like that are at the root of most traffic accidents. When every driver obeys the rules, most of this tragic crippling and killing will stop. Do your part—and see that others do the same. Where traffic laws are strictly obeyed, accidents go down!

FACE THIS FACT

Drivers are the No. 1 cause of traffic accidents which last year injured 1,400,000 and killed 38,000. This year an increase is threatened. How long must this go on? YOU can supply the answer!

Published in an effort to save lives, in cooperation with the National Safety Council and The Advertising Council.

CLUB'S THRIFT SHOP WILL OPEN MAY 10

KINGS BEACH — The Soropti-
mist Club of Lake Tahoe, today
announced Thursday, May 10 as
opening day for the Soroptimist
Club Thrift Shop. The shop will
open in Kings Beach and run for
four consecutive days, from 10 a.m.
until 4 p.m. through May 13.

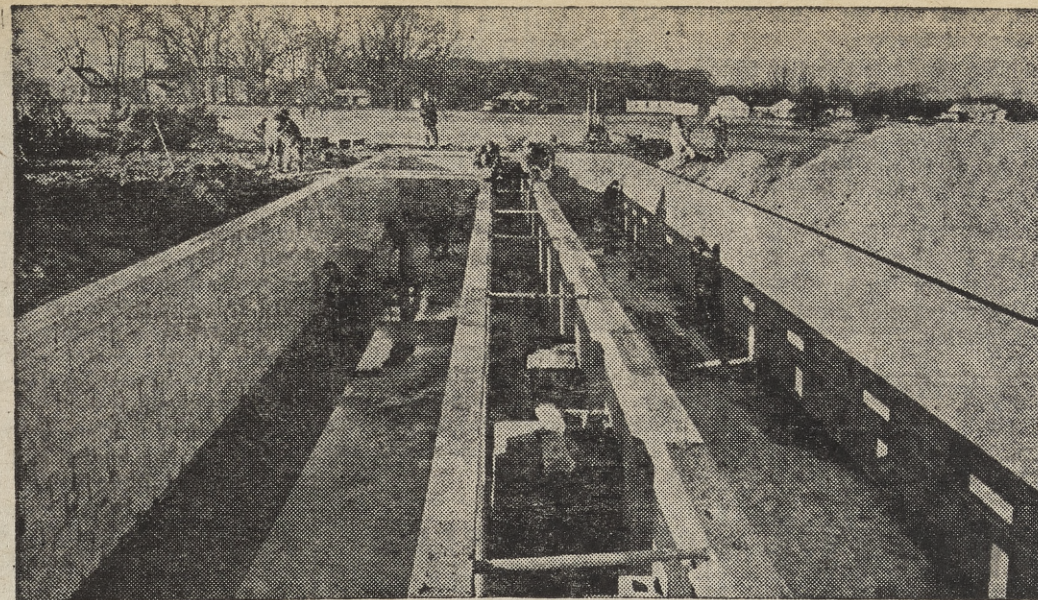

The entire club will participate
in this project, with funds from the
sale directed into the club serv-
ice projects.

Ruth Burris will serve as chair-
man for the Crystal Bay area, El-
len Sklar and Audra Holmes will
act as co-chairmen for the Brock-
way area, with Tally Daneri, Mick-
ey Mandeville and Helen Turchet
representing Kings Beach as chair-
men, Marty Reick and Maggie Stol-
tery will be chairmen for Tahoe
City. Any of these chairmen may
be contacted for pick-up service,
merchandise will be accepted on
consignment, and the shop has a
waiting list for baby cribs, play
pens, bureaus and desks.

The nominating committee,
chaired by Ruth Burris, will
conduct election of officers at the
first business meeting in May, fol-
lowed by reports from Soroptimist
Club delegates to the regional con-
ference in Santa Rosa.

Delegates to the conference
from the Soroptimist Club of Lake
Tahoe were Barbara Spitsen, Lou-
ise Scoville and Helen Beaverson.
Each delegate will report on her
specific participation in conference
proceedings.

Marty Reick will preside at the
night meeting on the last Tues-
day in April, when Ellen Sklar
will be guest speaker.

COMMUNITY FALLOUT shelter in Laketon Township, near Muskegon, Mich., under construction on a do-it-yourself basis by men from most of the families which joined in a non-profit corporation to pay for the underground shelter. Participants pay \$40 per family member if they work on the shelter, and \$75 per person if they don't. The shelter, now entirely covered by earth and nearing completion, will include a commu-
nity room, kitchen, lavatories, 25 family compartments, deep well, a gasoline-operated generator and standby generator, and a control room and radio room for outside communication during an emergency. (Muskegon Chronicle Photo)

DIVOT-DIGGERS

By BETTY KIELHOFFER

Not much news this week and you've probably already read it on the front page but I'd like to add my two cents about the damage done to the first fairway last week. Cliff Ellis said three horses (rid-
den by youngsters) evidently de-
cided to have a little game of polo or some such thing. The imprints and drag marks are several inches deep and it will take quite some time and expense to repair them. Things of this nature happened time and again last summer and the offenders who were caught got off with a warning.

I do believe now is the time to get tough and I sincerely hope parents will be held responsible in the future when their children maliciously damage it. The district cannot afford to fence the property at this time but I suppose this is the ultimate answer. Please, parents, tell your children that damage to the golf course is basically the same as playing havoc in someone's front yard or private home. It is punishable by fine and the parents can be held responsible for the cost of repairs.

Cliff said there are also several deep tire marks on the soft fair-
ways which now must be repaired. He is going to post signs that no vehicle other than work equipment will be allowed on any of the roads running through the course. Mr. Longo had hoped to open the course for play around the first of May but according to the Tuesday night meeting, it has been postponed until approximately the 15th.

I understand there has been much interest in the proposed sale of the course and it looks as if five or six offers will be made and opened on May 8. Most of us do not really care who owns it as long as it is promoted and becomes the popular recreation area it was originally intended to be. The important thing is getting someone in there who truly cares for the course and sees that it is used to its fullest capacity.

This is entirely possible this next year and with private money invested, it will have to go over . . . no matter who buys it, providing the sale works out, we should all get behind it 100 per cent. I'm sure any new owner will welcome the help of everyone and be happy to have the country club operate just the same. After all, the important thing is that we have the course built and the ownership is incidental.

I'm sure that the board will be interested in the over-all plans of any buyer for the good of the community and not just the money alone.

RED CROSS WATER COURSE AVAILABLE

A water safety instructor training course will be given by the Sierra Nevada Chapter, American Red Cross in Reno beginning April 30 and continuing through May 11. Classes will be held in three hour sessions Monday, Wednesday and Friday nights at Reno Y. M. C. A. and Tuesday and Thursday nights at Moana Pool from 7 to 10 p.m. Those persons interested in taking the course must be 18 years of age or over and must hold current senior life saving certificates. Instructors for the training will be instructor trainers Gene Sullivan, Ron Cox and Mike Beazley. Mike Beazley, chairman of the water safety program for the Sierra Nevada Chapter announced

Henry, Joe Fulton and Floyd Frakes.

Chief Henry has announced that the open house in Tahoe City will be observed at the fire house from 1 to 5 p.m. This will be the kick-off day for the annual spring clean-up of the community. Participating this year with the program in a special way will be the students of the Tahoe Lake School and the local Elks Lodge. Particulars will be given in next week's edition of the Sun.

Deadly Reckoning

by Robt. Day

Weekend accidents caused almost 15,000 deaths in 1960.

DIVIDEND

A regular quarterly dividend of 50 cents a share on Bank of America National Trust and Savings Association capital stock was declared by the bank's board of directors meeting in Los Angeles. The dividend, which is at the annual rate of \$2 per share, is payable May 31 to shareholders of record May 4.

a new course of training is being offered by the chapter for life guards. This course will begin on May 15 at 7 p.m. For three hours at the Reno Recreation Department on East Liberty Street. The course will provide training for life guard and pool management. The second semester will be held May 16 at Moana Pool. Interested persons in enrolling for either class should contact their local Red Cross branch.

AGATE BAY WATER CO. INCORPORATES

SACRAMENTO — (CNS) — Articles of incorporation for Agate Bay Water Company, a \$250,000 corporation to engage in water distribution, were on file in Secretary of State Frank M. Jordan's office today.

Directors are Duncan C. Davis, Box 44, Carnelian Bay, Lake Tahoe; Robert M. Davis, 1540 Queensbury, Los Altos and David C. Dunlap, 2967 Piedmont Ave., Berkeley.

SUPERVISORS REZONE LAKE VISTA DISTRICT

AUBURN — County Supervisors reversed a planning commission decision and rezoned 25 lots in the Lake Vista subdivision near Kings Beach, Lake Tahoe. The supervisors changed the

BUILDING FOR SALE IN SUMMIT DISTRICT

The state division of highways will accept bids at the Marysville district office until 10 a.m., May 9, for the sale and removal of cabins and other buildings located on U. S. 40 in Placer County at Hampshire Rocks and at Big Bend.

The structures will be open for Inspection May 1 from 11 a.m. to 3 p.m.

The following improvements, all formerly owned by Carolyn Helgren, are located across from the U. S. Forest Service public camp at Hampshire Rocks, about 3 1/2 miles east of Cisco Grove:

Item 1 — Four cabins, shower building, and service station building.

Item 2 — Two-story building with apartment over garage.

Item 3 — Four-unit motel.

Item 4 — Two-story combination store and residence.

The following two improvements are located at the Big Bend government tract, one mile east of Cisco Grove.

Item 5 — Cabin with loft on Lot 18, formerly owned by John P. Moore.

Item 6 — Cabin with loft on Lot 17, formerly owned by Eugene E. Nickels.

The land has been acquired by the state for construction of a freeway between the junction of State Sign Route 20, about three miles west of Cisco Grove, and Hampshire Rocks.

For additional information, terms of sale, and bid forms, contact Division of Highways, 7th & B Streets, Marysville; SHerwood 3-5421, extension 308.

PAY INCREASE VOTED FOR SIERRA FACULTY

Sierra College trustees last week approved a new salary schedule for instructors which will mean an average five per cent pay increase for the 50-member faculty of the local junior college school district.

Meeting at Tahoe Truckee high school, the board unanimously adopted the proposals of a faculty committee headed by Dwight Hall. Cost of the new schedule next year will be \$31,380. Among changes made were raising of the maximum salary for instructors from \$9,410 to \$9,950 (in the top classification) and reducing the number of "steps" to reach the top of each class from 15 to 13.

The board also removed limitations on the number of years of previous experience with which a new instructor to the district can be credited. Previously, a five year limit was in effect.

President Harold Weaver, endorsed the changes.

Widespread forest fires in California should remind people to be careful with fire of any kind in forest and range lands.

Thirty-four states elect governor for four year terms; the other 16 elect governors every two years.

zoning from single to multiple family over the opposition of property owners in the area. At a recent public hearing the proposal to rezone was opposed by some 15 persons and a home owners association.

The rezoning is for a strip along Highway 29 a few hundred yards from Crystal Bay, and will permit apartments, duplexes and the existing single family residences.

BETROTHAL DINNER FOR LOCAL COUPLE

A betrothal dinner was given at the Alpine Riverside last Thursday evening, in honor of Terry Ann Beck and A. J. Robinson, III, who have selected September as their wedding month.

Miss Beck will graduate from Tahoe Truckee Unified High School with the June class and is

the daughter of Mr. and Mrs. Olaf Beck of Truckee. Robinson graduated earlier from the same high school and is the son of Mr. and Mrs. A. J. Robinson, II, of Kings Beach. The engaged couple is well known in the younger set of this vicinity.

In North—

Mr. and Mrs. Richard Higgins and children traveled north during Easter vacation.

TWO PRODUCTIONS PLANNED BY SIERRA

So successful was "Born Yesterday," Sierra College's first dramatic production on its new campus, the Director George Tomajean has tentatively programmed two productions for next year. One would be a comedy, one a serious drama.

More than 500 persons attended performances of the political comedy, though observers had difficulty determining whether Billie Dawn, played by Truckee's Joan Brown, or Harry Brock, as acted by Dean Busick of Roseville, was the most effective.

COUNTY SEEKS LAND ALONG DONNER LAKE

The Nevada County Board of Supervisors has requested the division of highways to turn over to the county the land bordering the north side of Donner Lake when the new Donner Freeway is completed.

Alan Hart, district engineer for the division has advised the board that he suggests the return of the land to the county when the freeway project is completed.

VISITS PLANNED

Local area residents planning to view the Seattle World's Fair include Mr. and Mrs. Fred Haswell, Mr. and Mrs. Ed Hellar and Miss Janice Gray, Mr. and Mrs. Robert Tonini of Tahoe City who will be accompanied north by his parents, Mr. and Mrs. Ben Tonini of Reno.

Easter At Bay—

Mr. and Mrs. Elmer L. Brown and family, Joan, Richard and Ronald, spent the Easter holiday in San Francisco, where they were the guests of Mrs. Brown's uncle, Colonel L. M. McKinley, at the Presidio.

At Sonora—

Mr. and Mrs. Craig Robinson were Easter visitors with Mr. and Mrs. Jack Taylor of Sonora. While there the first birthday of Jamie was celebrated with her family.

To Oregon—

Mr. and Mrs. D. McGibbon and Gene returned from a trip to Oregon Sunday.

SHIRNELL HANSEN WEDS RON GAUTSCHE IN RENO CEREMONY

A wedding of interest was that of Miss Shirnell Hansen and Rolland Gautsche, Sunday, April 15, at a religious ceremony performed by Rev. C. G. Austin at Reno, Nevada. The bride, given in marriage by her father, George Hansen, chose a gown of white, cut on simple lines of dulled satin; street length, completed with a finger tip veil and carried a white corsage and Bible.

Mr. and Mrs. George Davis attended the couple and Debra, small sister of the bride, was the flower girl. A reception was held and attended by members of their families and close friends, at the home of her parents, Mr. and Mrs. George Hansen. Later the newlyweds traveled to the bay area before returning to their new home in the Cabona apartments.

Present at the nuptials include Mr. and Mrs. William Gautsche of Truckee, parents of the bridegroom; Mr. and Mrs. George Nyberg of Princeton and Mrs. Ruby Hansen of Sacramento, grandparents of the bride. Mr. and Mrs. Glen Stice and Mr. and Mrs. Herbert Gadeberg of Sacramento; Mr. and Mrs. Cecil Havens and Mr. and Mrs. John Chutux of Los Angeles.

Mr. and Mrs. Walter Calvert and Mr. and Mrs. James Withrow of Princeton; Mr. and Mrs. Clifford Stice and Robin; Mrs. Mary Ritchey and Karen and Jerry Gadeberg all of Sacramento; Mr. and Mrs. Nace Firpo; Mr. and Mrs. Del Tucker; the Misses Nancy Tallant, Diane Kaspian, Stephanie Firpo, Margie Withrow and Barbara Baker, Ben Davis, Bud Owens, Harry Hansen of Truckee.

SALE SUCCESS

TAHOE CITY—The food sale sponsored by the Tahoe City Women's Club, held Saturday at Safeway Store, was announced a success. Mrs. C. L. English, Mrs. Howard Guth and Mrs. Phil Geier composed the committee in charge.

Returns Home—

Stella Watson returned to Tahoe City following a visit at San Anselmo with her daughter's family, who have moved into their new and larger home.

OFFICIALS HERE TO ATTEND SQUAW MEET

State Senator Ron Cameron, Assemblyman Paul J. Lunardi and M. M. Whitaker of the division of beaches and parks, were local visitors last Friday, attending a meeting of business people at Squaw Valley and inspecting the progress on the new Donner Trail Museum at Donner State Park.

The meeting at Squaw Valley Inn was also attended by N. F. Dolley representing the Truckee Donner Chamber of Commerce in discussions on the potential of the area.

COUNTY TO RECEIVE HIGHWAY USER TAX

SACRAMENTO — (CNS) — Nevada County will receive an estimated \$325,700 in highway users taxes during the 1962-63 fiscal year, State Controller Alan Cranston reported.

Cranston said the statewide total is estimated at \$94,934,800, up \$3,542,700 from the estimated total apportionment for the fiscal year which will end June 30.

Cranston said estimates are sent to county boards of supervisors each year at this time to permit them to use the estimates in preparing budgets.

BIDS OPENED

(Continued from Page 1)

shoulders on both sides. In the vicinity of Cisco Grove, shoulders will be 14 feet wide to provide a safety strip for mounting or re-moving chains.

Included will be the construction of nine bridges, five undercrossings, and one overcrossing. Interchanges will be located at Indian Springs Road, Cisco Grove, and Hampshire Rocks.

Five of the bridges across the South Fork of the Yuba River are required due to the alignment being limited to the canyon proper. In some places the river will flow between the roadways, and in others both the river and frontage road will be located in the median.

A major portion of the existing two-lane highway will be preserved and resurfaced to provide access to summer homes and nearby recreational areas.

Adjoining this job, on the west from Emigrant Gap to the SSR 20 junction, is an \$8,000,000 freeway project underway since last July and about 26% finished. Completion is expected before the end of 1963.

Complete In 1964

The only other section of the Interstate mountain route not completed to freeway standards is the new 10.5-mile crossing of the Sierra summit. Two contracts totaling \$10,000,000 are in progress for the excavation, grading, and structures for the new alignment which will travel up to nearly two miles north of the present Donner Summit Highway at an elevation exceeding 7,200 feet.

Following completion of this work, possibly by the end of this year, a third contract will be advertised for the base and surfacing of the entire section, which runs from Soda Springs to the east end of Donner Lake. Target date for completion is before winter 1964.

GUILD MEET

The Truckee Assumption Guild will meet in the local parish hall Monday, April 30 at 8 p. m. Members are asked to attend and guests are also cordially invited. Eve Hallett will preside.

Surgery On Eye—

Pete Lazzari is greeting friends after his return from Reno last Friday, where he had undergone eye surgery. He reports that he is doing well.

Hedlunds Here—

The Ken Hedlund family of Sacramento spent Sunday with Mr. and Mrs. Lorrin Ferdinand and other friends.

Colusa Guests—

The Clarence Osburn and Charles Osburn families were Sunday visitors at Colusa.

At Oakland—

Mr. and Mrs. Charles Spillner and children were Oakland visitors during the weekend.

Patient—

Pat Vail was reported to be a Tahoe Forest Hospital patient last week.

South Trip—

Dr. Henry Tapia and Mrs. Tapia and children spent vacation time in Los Angeles.

Four reigning monarchs have addressed the Commonwealth Club of California at San Francisco—Queen Juliana of the Netherlands, King Paul and Queen Frederika of the Hellenes and Emperor Haile Selassie of Ethiopia.

 DATING BACK TO 1790 AND CONTINUING UNTIL THE HOUSING SHORTAGE DURING WORLD WAR II-- MAY FIRST WAS CONSIDERED "MOVING DAY" IN NEW YORK CITY...
 FROM 1850 TO 1890 THE CITY DIRECTORY WAS COMPILED AS OF MAY 1ST AND IT WAS CONSIDERED FASHIONABLE TO MOVE!

TO GO FROM THE ATLANTIC TO THE PACIFIC OCEAN THROUGH THE PANAMA CANAL-- YOU TRAVEL EAST, AND YOU CAN SEE THE SUN SET OVER THE ATLANTIC!

RUBY-THROATED HUMMINGBIRDS ARE SO TINY WHEN HATCHED THAT 4 OF THEM WILL FIT INTO A TEASPOON!

THE FUN-LOVING OTTER NOT ONLY USES SNOW SLIDES IN THE WINTERTIME, BUT EVEN IN SUMMER IT WILL UTILIZE MUD AND GRASS FOR THE SAME PURPOSE

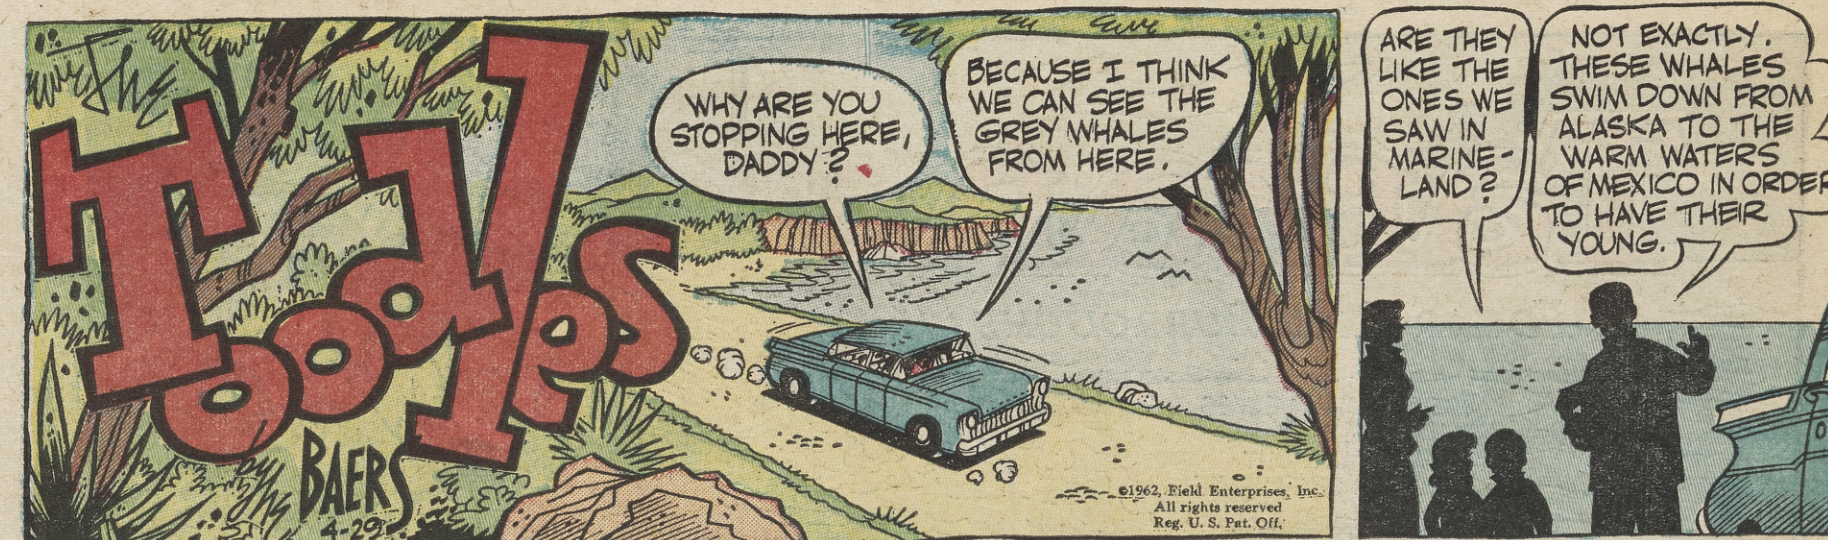

THE LOG CABINS OF EARLY U.S. SETTLERS WERE AIR-CONDITIONED!
 THE CLAY CHINKING BETWEEN THE LOGS WAS REMOVED IN SUMMERTIME TO ALLOW THE AIR TO PASS THROUGH

FAME BY FORGERY!
 JAMES WHITCOMB RILEY WON HIS FIRST RECOGNITION BY WRITING A POEM UNDER THE NAME OF EDGAR ALLAN POE-- THEN HAD DIFFICULTY CONVINCING THE CRITICS HE WROTE IT HIMSELF!

CHURCH OF BEAUTY!
 ALL OF RUSSIA ADOPTED CHRISTIANITY IN THE 10TH CENTURY BECAUSE THE CHRISTIAN CHURCH OF ST. SOPHIA, *Constantinople*, WAS SO BEAUTIFUL

Toodles
 BAERS 4-29

WHY ARE YOU STOPPING HERE, DADDY?
 BECAUSE I THINK WE CAN SEE THE GREY WHALES FROM HERE.

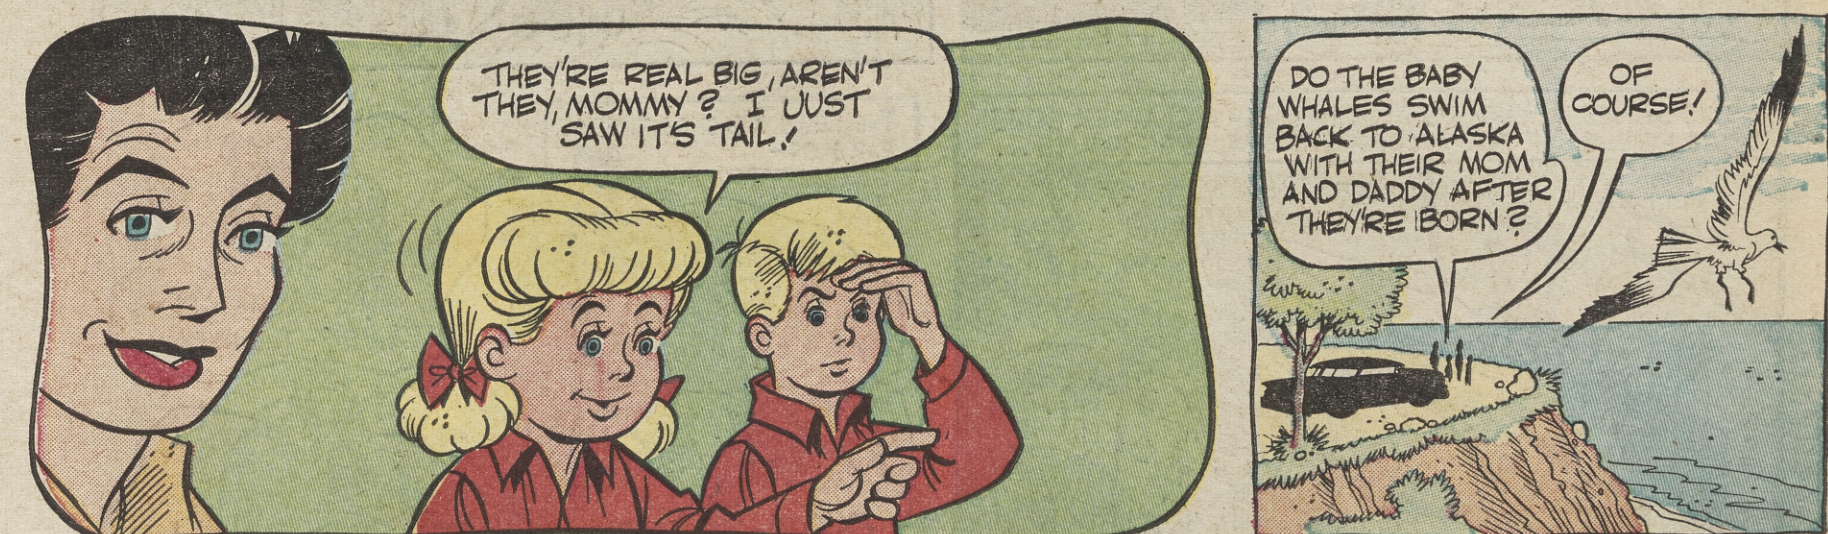

ARE THEY LIKE THE ONES WE SAW IN MARINE-LAND?
 NOT EXACTLY. THESE WHALES SWIM DOWN FROM ALASKA TO THE WARM WATERS OF MEXICO IN ORDER TO HAVE THEIR YOUNG.

THERE'S ONE! CAN YOU SEE IT SPOUTING?
 OH, YES! AND I SEE ANOTHER ONE THERE.

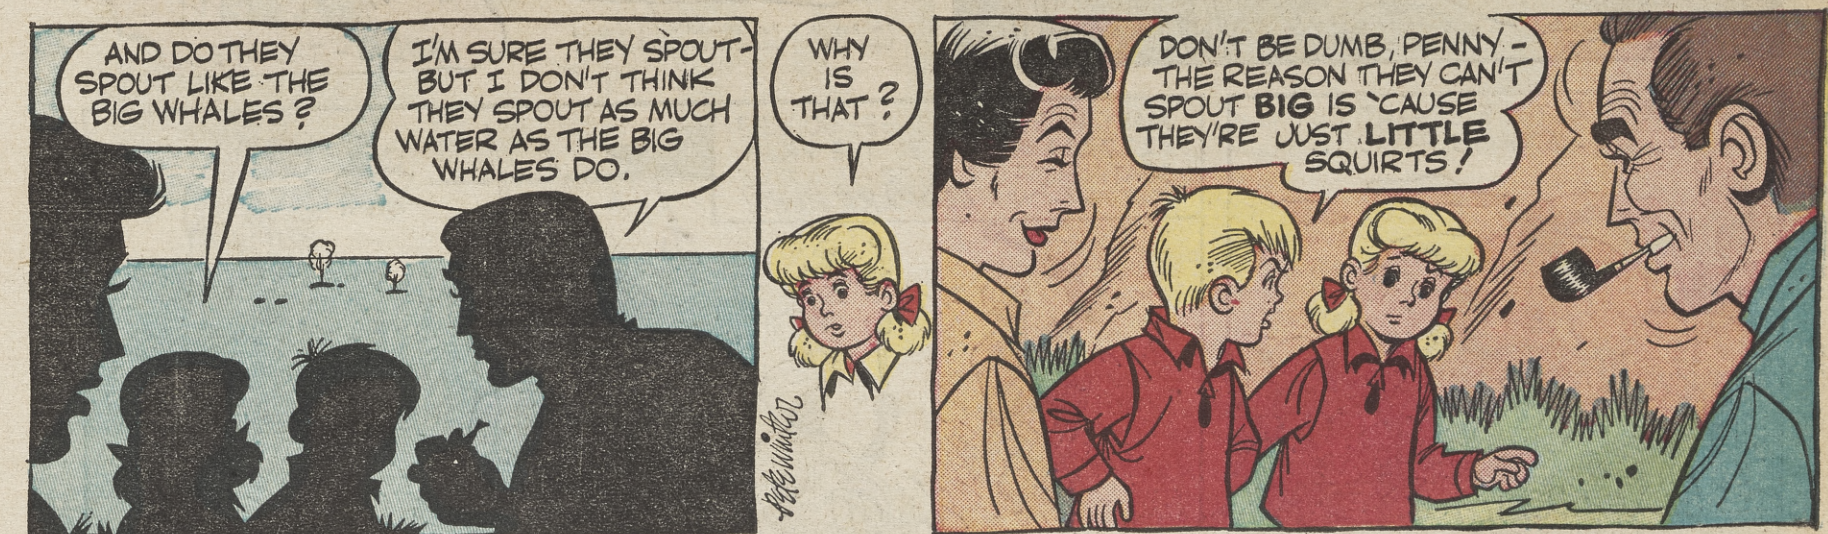

CLICK!

I HOPE I GOT THAT PICTURE-- THERE WERE THREE SPOUTING AT ONCE!

THEY'RE REAL BIG, AREN'T THEY, MOMMY? I JUST SAW ITS TAIL!

DO THE BABY WHALES SWIM BACK TO ALASKA WITH THEIR MOM AND DADDY AFTER THEY'RE BORN?
 OF COURSE!

AND DO THEY SPOUT LIKE THE BIG WHALES?
 I'M SURE THEY SPOUT-- BUT I DON'T THINK THEY SPOUT AS MUCH WATER AS THE BIG WHALES DO.

WHY IS THAT?
 DON'T BE DUMB, PENNY-- THE REASON THEY CAN'T SPOUT BIG IS 'CAUSE THEY'RE JUST LITTLE SQUIRTS!
